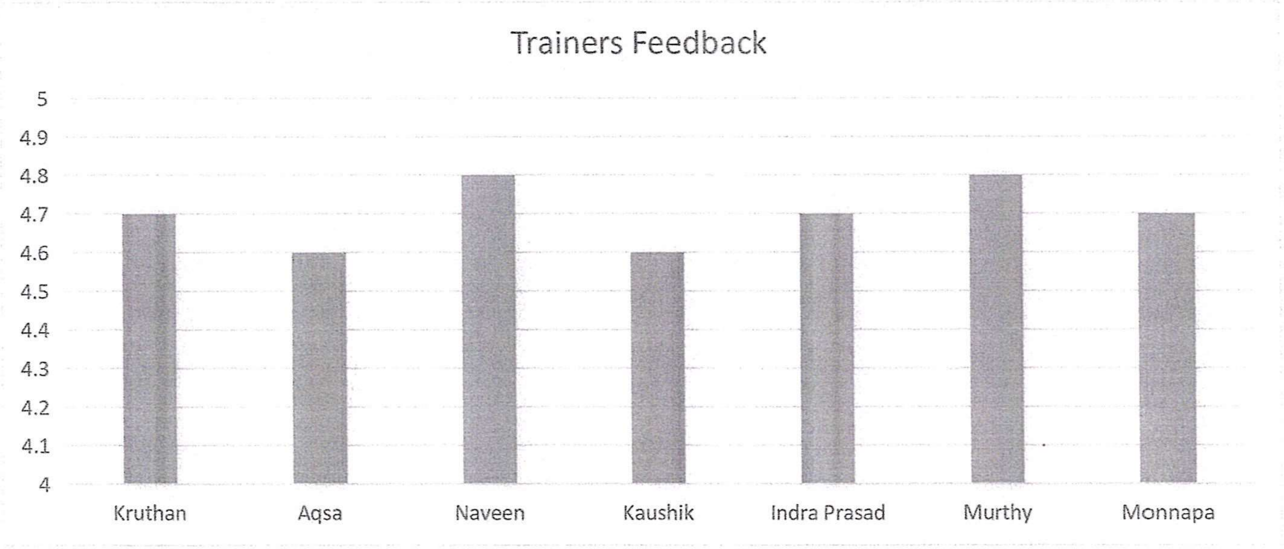
Trainers Rating:



Feedback report	
Average college feedback:	**4.7**
Highest average feedback by a trainer:	**4.8**
Least average feedback by a trainer:	**4.6**

Trainer's Feedback:

The overall feedback of the Seventh Sense Trainers for the Placement Training Program at Moodalkatte Institute of Technology and Management Institution was very positive. Students are very cooperative, eagerly waiting to learn new concepts.

Students are very good and interactive in all sessions, dedicated and punctual. Students were good at problem solving with short cut tricks not in traditional method and students need help in problem solving in general method because all questions not possible to solve with short cut tricks

Some more classes for these students can ensure a pickup in their pace in problem solving. Practicing problems on regular bases will help them in turn during placements and other competitive examinations. They were interactive and proactive in Q&A Session. Students were good, disciplined but were lacking in basic, we tried to clear it, rest everything went well. Students must be confident in interviews. We suggest the college to impart training programs from 1st year we begin with Communication English, Aptitude & technical skills.

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable–skills to new career paths and types of work.
- Ourtrainingwouldhelpstudentstosetinspiringbutrealisticgoalsintheirprofessionallife.

The students are very co-operative and enthusiastic to learn. We would like to thank the Placement Department and the Management Team of, Moodalkatte Institute of Technology and Management, for giving us this opportunity.

Concluding Remarks:

The training was conducted successfully around 21 students got registered and actively participated throughout the sessions, here 1 batch for 2023 batch were created for entire training sessions just to create healthy and active environment among the students for participation, the trainers of Seventh Appreciated T&P cell of Moodalkatte Institute of Technology and Management for excellent & cordial support. They also appreciate for providing good hospitality. And whole heartedly thank Management, The Principal, Training & Placement Officer, HOD's, Faculty placement coordinators of Moodalkatte Institute of Technology and Management for giving them an opportunity to be a service in our institution & extending our support.

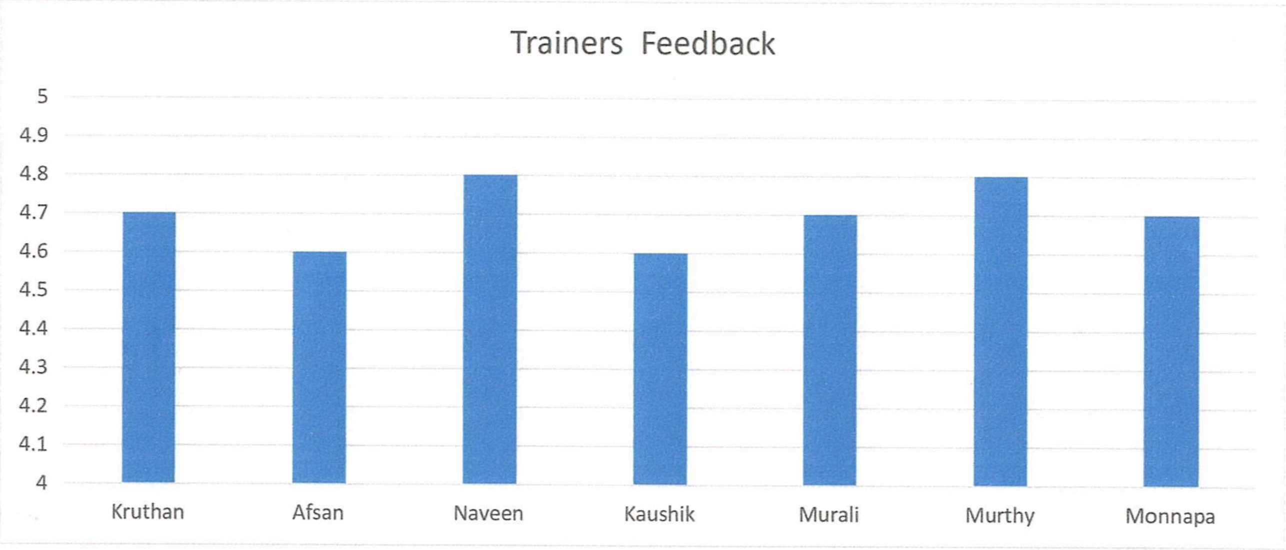
Trainers Rating:



Feedback report	
Average college feedback:	**4.7**
Highest average feedback by a trainer:	**4.8**
Least average feedback by a trainer:	**4.6**

Trainer's Feedback:

The overall feedback of the Seventh Sense Trainers for the Placement Training Program at Moodalkatte Institute of Technology and Management Institution was very positive. Students are very cooperative, eagerly waiting to learn new concepts.

Students are very good and interactive in all sessions, dedicated and punctual. Students were good at problem solving with short cut tricks not in traditional method and students need help in problem solving in general method because all questions not possible to solve with short cut tricks

Some more classes for these students can ensure a pickup in their pace in problem solving. Practicing problems on regular bases will help them in turn during placements and other competitive examinations. They were interactive and proactive in Q&A Session. Students were good, disciplined but were lacking in basic, we tried to clear it, rest everything went well. Students must be confident in interviews. We suggest the college to impart training programs from 1st year we begin with Communication English, Aptitude & technical skills.

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable–skills to new career paths and types of work.
- Ourtrainingwouldhelpstudentstosetinspiringbutrealisticgoalsintheirprofessionallife.

The students are very co-operative and enthusiastic to learn. We would like to thank the Placement Department and the Management Team of, Moodalkatte Institute of Technology and Management, for giving us this opportunity.

Concluding Remarks:

The training was conducted successfully around 21 students got registered and actively participated throughout the sessions, here 1 batch for 2023 batch were created for entire training sessions just to create healthy and active environment among the students for participation, the trainers of Seventh Appreciated T&P cell of Moodalkatte Institute of Technology and Management for excellent & cordial support. They also appreciate for providing good hospitality. And whole heartedly thank Management, The Principal, Training & Placement Officer, HOD's, Faculty placement coordinators of Moodalkatte Institute of Technology and Management for giving them an opportunity to be a service in our institution & extending our support.

Preamble

This report provides an overview of the aptitude training program designed and conducted for Bachelor of Engineering (BE) students. The objective of this training program is to equip BE students with essential skills and competencies that will enhance their problem-solving abilities and prepare them for success in their academic and professional pursuits.

BRIEF PROFILE OF TRAINER

Mr. Murthy - Seventh Sense Talent Solutions

Mr. Kruthan Vokkaliga -Seventh Sense Talent Solutions

Training Objectives:

The primary objectives of our aptitude training program for BE students are as follows:

a. Enhance Problem-Solving Skills: To improve students' ability to analyze complex problems, identify issues, and develop effective solutions.

b. Foster Critical Thinking: To promote critical thinking skills, enabling students to make informed decisions and think critically about engineering problems.

c. Strengthen Quantitative Proficiency: To enhance mathematical and quantitative skills that are integral to engineering tasks and coursework.

d. Improve Logical and Analytical Reasoning: To develop logical and analytical reasoning abilities, which are essential for problem-solving and engineering design.

e. Prepare for Competitive Exams: To provide students with the necessary aptitude skills to excel in various competitive exams and entrance tests for higher education and job placements.

Training Details:

The aptitude training program for BE students is structured to cover the following areas:

a. Mathematics: Focuses on fundamental mathematical concepts and problem-solving techniques.

b. Logical Reasoning: Develops logical reasoning abilities through puzzles, patterns, and deductive reasoning exercises.

c. Data Interpretation: Enhances data analysis skills, including interpreting charts, graphs, and statistical data.

d. Verbal and Non-Verbal Reasoning: Strengthens communication and reasoning skills, including reading comprehension and pattern recognition.

e. Mock Tests and Practice: Provides students with ample opportunities to practice and improve their aptitude skills through mock tests and exercises.

Outcomes and Benefits:

The aptitude training program has led to several positive outcomes for BE students:

a. Improved Academic Performance: Students have reported better performance in mathematics and quantitative-heavy courses.

b. Enhanced Problem-Solving: Students are better equipped to tackle complex engineering problems and projects.
c. Increased Confidence: Improved aptitude skills have boosted students' confidence in competitive exams and job interviews.

d. Readiness for Future Challenges: The training program has equipped students with essential skills for their future academic and professional endeavors.

Dear Respected Prof.Amrutha Madam,

At the outset, warm greetings from me and the entire team at Seventh Sense Talent Solutions. The details of the training, we have conducted for **2026 Batch BE students** of **Moodalkatte Institute of Technology and Management, Kundapura** are furnished in this document.

Preamble:

With an objective to train the students of **Moodalkatte Institute of Technology and Management** & prepare them towards placements Seventh Sense Talent Solutions, Bangalore has submitted the training proposal to Training & Placement Department.

After series of discussion with Principal, HOD &TPO, Seventh Sense Talent Solutions was directed to roll out the training program for BE 1st year students of **Moodalkatte Institute of Technology and Management** & accordingly confirmation was given by college.

The objective:

- To conduct career related Communication, Soft Skill, Aptitude.
- Evaluate performance and robustness of the students post the training
- To document overall conduct of students throughout the program
- To counsel and take corrective/remedial steps to the required students as & when the requirement arises

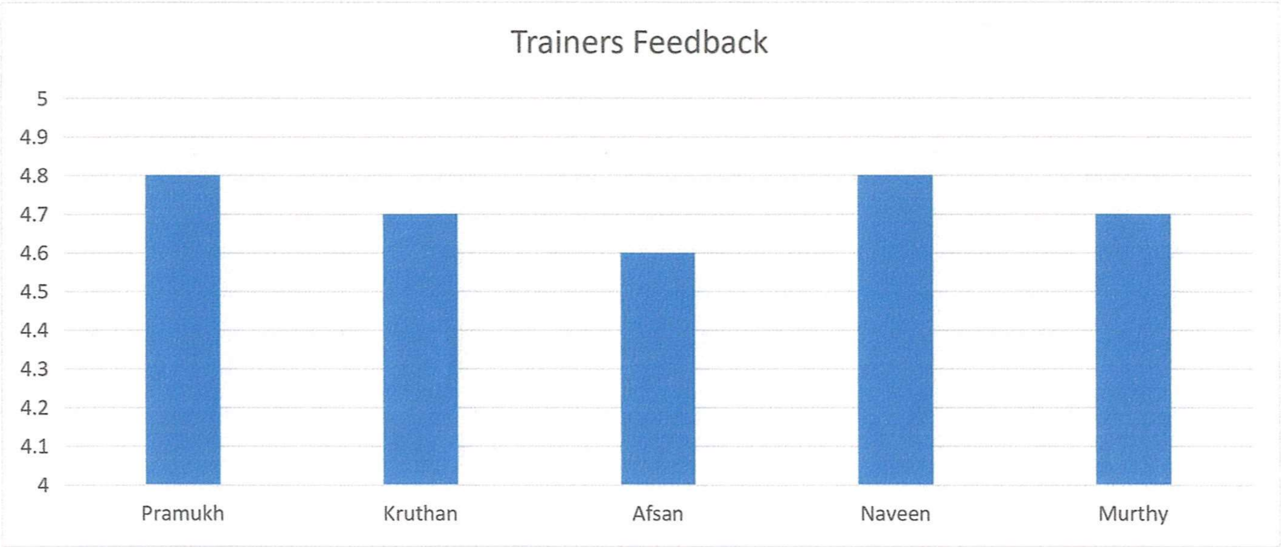
- Google form opened throughout the training program.

Trainers Rating:



Feedback report	
Average college feedback:	**4.72**
Highest average feedback by a trainer:	**4.8**
Least average feedback by a trainer:	**4.6**

Trainer's Feedback:

The overall feedback of the Seventh Sense Trainers for the Placement Training Program at **Moodalkatte Institute of Technology and Managemen** was very positive. Students are very cooperative, eagerly waiting to learn new concepts.

Students are very good and interactive in all sessions, dedicated and punctual. Students were good at problem solving with short cut tricks not in traditional method and students need help in problem solving in general method because all questions not possible to solve with short cut tricks

Some more classes for these students can ensure a pickup in their pace in problem solving. Practicing problems on regular bases will help them in turn during placements and other competitive examinations. They were interactive and proactive in Q&A Session. Students were good, disciplined but were lacking in basic, we tried to clear it, rest everything went well. Students must be confident in interviews.

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable–skills to new career paths and types of work.
- Ourtrainingwouldhelpstudentstosetinspiringbutrealisticgoalsintheirprofessionallife.

The students are very co-operative and enthusiastic to learn. We would like to thank the Placement Department and the Management Team of, **Moodalkatte Institute of Technology and Management, Kundapura** for giving us this opportunity**.**

Concluding Remarks:

The training was conducted successfully around 120+ students got registered and actively participated throughout the sessions, here 3 batches for 2026 batch were created for entire training sessions just to create healthy and active environment among the students for participation, the trainers of Seventh Appreciated T&P cell of **Moodalkatte Institute of Technology and Management** for excellent & cordial support. They also appreciate for providing good hospitality. And whole heartedly thank Management, The Principal, Training & Placement Officer, HOD's, Faculty placement coordinators of **Moodalkatte Institute of Technology and Management** for giving them an opportunity to be a service in our institution & extending our support.

Preamble

This report provides an overview of the aptitude training program designed and conducted for Bachelor of Engineering (BE) students. The objective of this training program is to equip BE students with essential skills and competencies that will enhance their problem-solving abilities and prepare them for success in their academic and professional pursuits.

BRIEF PROFILE OF TRAINER

Mr. Murthy - Seventh Sense Talent Solutions

Mr. Kruthan Vokkaliga -Seventh Sense Talent Solutions

Training Objectives:

The primary objectives of our aptitude training program for BE students are as follows:

a. Enhance Problem-Solving Skills: To improve students' ability to analyze complex problems, identify issues, and develop effective solutions.

b. Foster Critical Thinking: To promote critical thinking skills, enabling students to make informed decisions and think critically about engineering problems.

c. Strengthen Quantitative Proficiency: To enhance mathematical and quantitative skills that are integral to engineering tasks and coursework.

d. Improve Logical and Analytical Reasoning: To develop logical and analytical reasoning abilities, which are essential for problem-solving and engineering design.

e. Prepare for Competitive Exams: To provide students with the necessary aptitude skills to excel in various competitive exams and entrance tests for higher education and job placements.

Training Details:

The aptitude training program for BE students is structured to cover the following areas:

a. Mathematics: Focuses on fundamental mathematical concepts and problem-solving techniques.

b. Logical Reasoning: Develops logical reasoning abilities through puzzles, patterns, and deductive reasoning exercises.

c. Data Interpretation: Enhances data analysis skills, including interpreting charts, graphs, and statistical data.

d. Verbal and Non-Verbal Reasoning: Strengthens communication and reasoning skills, including reading comprehension and pattern recognition.

e. Mock Tests and Practice: Provides students with ample opportunities to practice and improve their aptitude skills through mock tests and exercises.

Outcomes and Benefits:

The aptitude training program has led to several positive outcomes for BE students:

a. Improved Academic Performance: Students have reported better performance in mathematics and quantitative-heavy courses.

b. Enhanced Problem-Solving: Students are better equipped to tackle complex engineering problems and projects.
c. Increased Confidence: Improved aptitude skills have boosted students' confidence in competitive exams and job interviews.

d. Readiness for Future Challenges: The training program has equipped students with essential skills for their future academic and professional endeavors.

SEVENTH SENSE
Talent Solutions

Dear Respected Prof.Amrutha Madam,

At the outset, warm greetings from me and the entire team at Seventh Sense Talent Solutions. The details of the training, we have conducted for **2025 Batch BE students** of **Moodalkatte Institute of Technology and Management, Kundapura** are furnished in this document.

Preamble:

With an objective to train the students of Moodalkatte Institute of Technology and Management & prepare them towards placements Seventh Sense Talent Solutions, Bangalore has submitted the training proposal to Training & Placement Department.

After series of discussion with Principal, HOD &TPO, Seventh Sense Talent Solutions was directed to roll out the training program for BE 2nd year students of Moodalkatte Institute of Technology and Management & accordingly confirmation was given by college.

The objective:

- To conduct career related Communication, Soft Skill, Aptitude.
- Evaluate performance and robustness of the students post the training
- To document overall conduct of students throughout the program
- To counsel and take corrective/remedial steps to the required students as & when the requirement arises

Training Details:

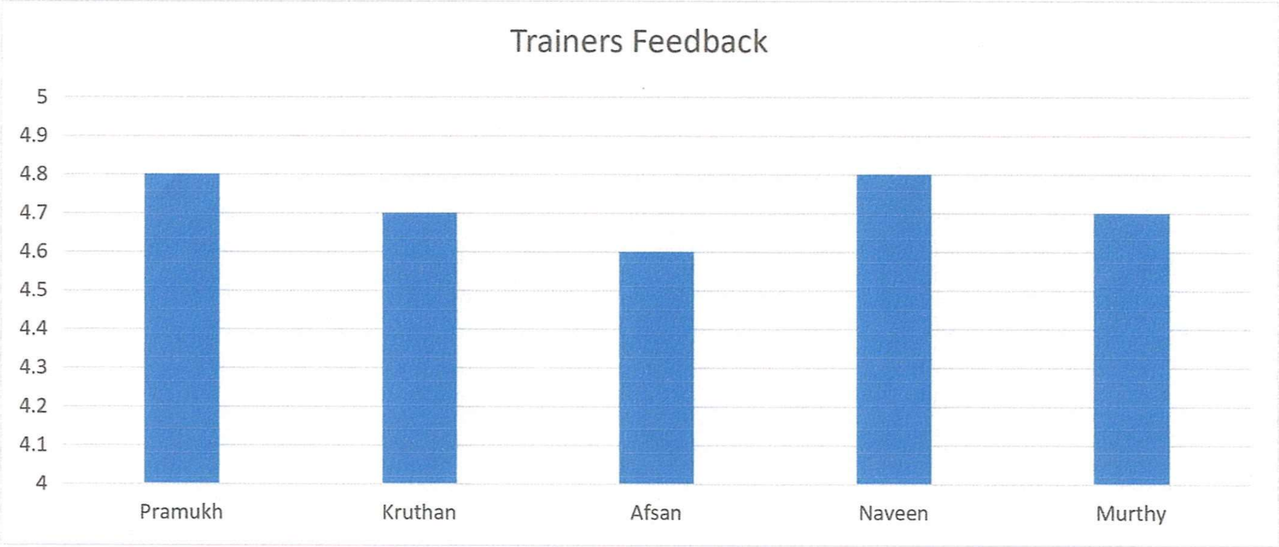
Trainers Rating:



Feedback report	
Average college feedback:	**4.72**
Highest average feedback by a trainer:	**4.8**
Least average feedback by a trainer:	**4.6**

Trainer's Feedback:

The overall feedback of the Seventh Sense Trainers for the Placement Training Program at **Moodalkatte Institute of Technology and Management, Kundapura** was very positive. Students are very cooperative, eagerly waiting to learn new concepts.

Students are very good and interactive in all sessions, dedicated and punctual. Students were good at problem solving with short cut tricks not in traditional method and students need help in problem solving in general method because all questions not possible to solve with short cut tricks

Some more classes for these students can ensure a pickup in their pace in problem solving. Practicing problems on regular bases will help them in turn during placements and other competitive examinations. They were interactive and proactive in Q&A Session. Students were good, disciplined but were lacking in basic, we tried to clear it, rest everything went well. Students must be confident in interviews. We suggest the college to impart training programs from 1st year we begin with Communication English, Aptitude & technical skills.

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable–skills to new career paths and types of work.
- Ourtrainingwouldhelpstudentstosetinspiringbutrealisticgoalsintheirprofessionallife.

The students are very co-operative and enthusiastic to learn. We would like to thank the Placement Department and the Management Team of, **Moodalkatte Institute of Technology and Management, Kundapura** for giving us this opportunity.

Concluding Remarks:

The training was conducted successfully around 160 students got registered and actively participated throughout the sessions, here 3 batches for 2025 batch were created for entire training sessions just to create healthy and active environment among the students for participation, the trainers of Seventh Appreciated T&P cell of **Moodalkatte Institute of Technology and Management** for excellent & cordial support. They also appreciate for providing good hospitality. And whole heartedly thank Management, The Principal, Training & Placement Officer, HOD's, Faculty placement coordinators of **Moodalkatte Institute of Technology and Management** for giving them an opportunity to be a service in our institution & extending our support.

Preamble

In the ever-evolving landscape of education and professional development, it is imperative that we prepare our students not only with academic excellence but also with the essential soft skills that will empower them to thrive in the multifaceted world of business and leadership. This preamble sets the stage for the "Soft Skills Training Program," a comprehensive initiative designed to enhance the interpersonal and professional capabilities of our MBA students.

BRIEF PROFILE OF TRAINER

Mr. Murthy - Seventh Sense Talent Solutions

Mr.Afshan/Seventh Sense Talent Solutions

Training Objectives: The primary objectives of the Soft Skills Training Program were as follows:

1. **Communication Skills:** Enhance students' written and verbal communication skills, enabling them to express their ideas effectively and engage in constructive dialogue.
2. **Interpersonal Skills:** Foster teamwork, leadership, and conflict resolution abilities, ensuring that students can collaborate seamlessly in diverse professional settings.
3. **Presentation Skills:** Improve students' presentation and public speaking skills, enabling them to convey their ideas with confidence and clarity.
4. **Time Management and Organizational Skills:** Equip students with techniques for efficient time management and organization, vital for academic and professional success.
5. **Critical Thinking and Problem-Solving:** Develop critical thinking skills and problem-solving abilities, enabling students to approach complex issues with innovative solutions.
6. **Stress Management:** Provide strategies to cope with stress and maintain a healthy work-life balance.

Training Methodology:

The training program utilized a combination of lectures, interactive workshops, group discussions, role-playing, and practical exercises. These methodologies ensured that students actively participated in the learning process and could apply the concepts learned.

Outcomes and Benefits:

The Soft Skills Training Program yielded the following outcomes and benefits for our MBA students:

- Improved communication skills, leading to better academic performance and future job prospects.
- Enhanced teamwork and leadership abilities, making students more valuable contributors in group projects.

- Increased confidence in presenting ideas and thoughts, both in academic and professional settings.
- Enhanced time management and organizational skills to help students manage their academic commitments effectively.
- Better problem-solving and critical thinking skills, preparing students for the challenges they will face in their careers.
- Improved stress management strategies to maintain well-being during their demanding academic journey.

SEVENTH SENSE
Talent Solutions

Dear Respected Prof.Amrutha Madam,

At the outset, warm greetings from me and the entire team at Seventh Sense Talent Solutions. The details of the training, we have conducted for **2026 Batch BE students** of **Moodalkatte Institute of Technology and Management, Kundapura** are furnished in this document.

Preamble:

With an objective to train the students of **Moodalkatte Institute of Technology and Management** & prepare them towards placements Seventh Sense Talent Solutions, Bangalore has submitted the training proposal to Training & Placement Department.

After series of discussion with Principal, HOD &TPO, Seventh Sense Talent Solutions was directed to roll out the training program for BE 1st year students of **Moodalkatte Institute of Technology and Management** & accordingly confirmation was given by college.

The objective:

- To conduct career related Communication, Soft Skill, Aptitude.
- Evaluate performance and robustness of the students post the training
- To document overall conduct of students throughout the program
- To counsel and take corrective/remedial steps to the required students as & when the requirement arises

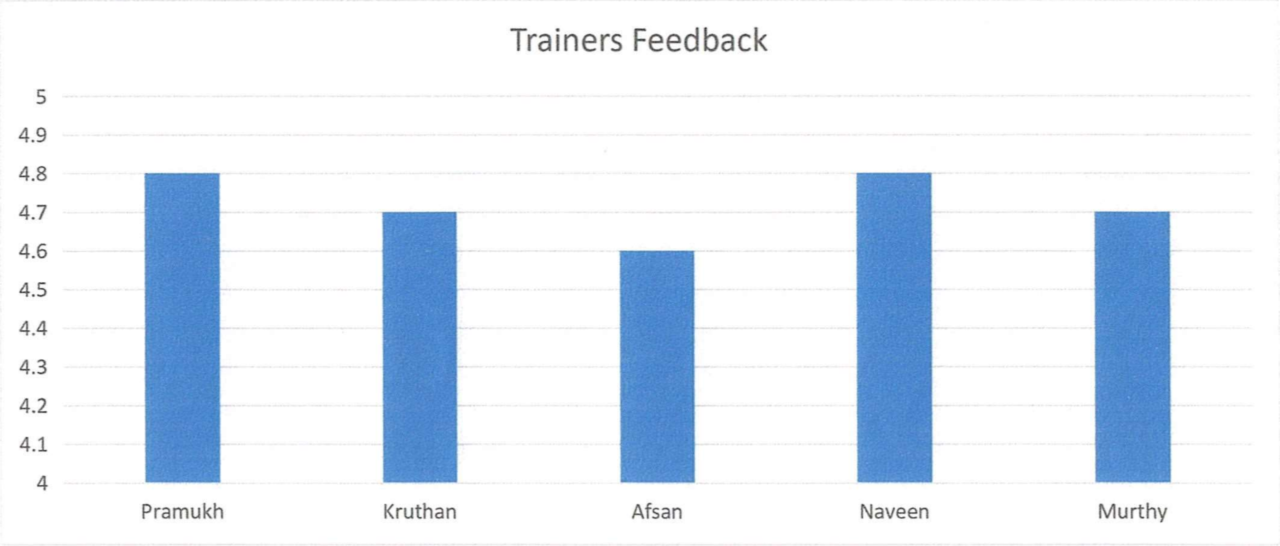
- Google form opened throughout the training program.

Trainers Rating:



Feedback report	
Average college feedback:	**4.72**
Highest average feedback by a trainer:	**4.8**
Least average feedback by a trainer:	**4.6**

Trainer's Feedback:

The overall feedback of the Seventh Sense Trainers for the Placement Training Program at **Moodalkatte Institute of Technology and Managemen** was very positive. Students are very cooperative, eagerly waiting to learn new concepts.

Students are very good and interactive in all sessions, dedicated and punctual. Students were good at problem solving with short cut tricks not in traditional method and students need help in problem solving in general method because all questions not possible to solve with short cut tricks

Some more classes for these students can ensure a pickup in their pace in problem solving. Practicing problems on regular bases will help them in turn during placements and other competitive examinations. They were interactive and proactive in Q&A Session. Students were good, disciplined but were lacking in basic, we tried to clear it, rest everything went well. Students must be confident in interviews.

PURPOSE OF THE TRAINING PROGRAM:

- Our Training program would assist the students-keeping their placements in mind, by crafting a captivating interpersonal skill, along with strong responses to both behavioral and technical interview questions.
- Fine tuning of the student's attitude to learning, motives, values and deal with different situations responsibly and diligently, also makes them a good predictor of academic success.
- This training program helps them leverage their most marketable-and transferable–skills to new career paths and types of work.
- Ourtrainingwouldhelpstudentstosetinspiringbutrealisticgoalsintheirprofessionallife.

The students are very co-operative and enthusiastic to learn. We would like to thank the Placement Department and the Management Team of, **Moodalkatte Institute of Technology and Management, Kundapura** for giving us this opportunity.

Concluding Remarks:

The training was conducted successfully around 120+ students got registered and actively participated throughout the sessions, here 3 batches for 2026 batch were created for entire training sessions just to create healthy and active environment among the students for participation, the trainers of Seventh Appreciated T&P cell of **Moodalkatte Institute of Technology and Management** for excellent & cordial support. They also appreciate for providing good hospitality. And whole heartedly thank Management, The Principal, Training & Placement Officer, HOD's, Faculty placement coordinators of **Moodalkatte Institute of Technology and Management** for giving them an opportunity to be a service in our institution & extending our support.
