Preamble

The Training & Placement Cell of MITK organized a thought-provoking seminar on the "Impact of Entrepreneurship on Indian Economy" on 16-NOV-2019. The seminar aimed to shed light on the multifaceted dynamics of entrepreneurship and its profound implications for the economic landscape of India. The event featured Mr. Anil M. Prabhu, Co-founder of AMPWork Pvt. Ltd., as the distinguished speaker, sharing his wealth of knowledge and experiences in the entrepreneurial realm.

Objective: The primary objective of the seminar was to provide students with a comprehensive understanding of entrepreneurship's pivotal role in the Indian economy. The session aimed to inspire and equip students with the necessary insights to navigate the entrepreneurial landscape, fostering an entrepreneurial spirit among them.

Session Highlights: Mr. Anil M. Prabhu, in his opening address, shared his entrepreneurial journey, offering a first hand account of the challenges and triumphs he encountered. His narrative not only captivated the audience but also served as a source of inspiration for budding entrepreneurs in the audience.

The seminar covered a spectrum of topics, including:

1. **Entrepreneurial Ecosystem in India:** An exploration of the evolving landscape, policy frameworks, and support systems for entrepreneurs.
2. **Impact of Start-ups on Economic Growth:** An in-depth analysis of how start-ups contribute to employment generation, innovation, and overall economic development.
3. **Opportunities and Challenges in Entrepreneurship:** A candid discussion on the various opportunities available for aspiring entrepreneurs, coupled with an honest exploration of the challenges they are likely to face.
4. **Role of Technology in Entrepreneurial Ventures:** An examination of the transformative role technology plays in shaping and propelling entrepreneurial ventures.

The interactive nature of the session allowed students to actively participate through Q&A sessions and group discussions, fostering a dynamic and engaging learning environment.

Outcome: The seminar successfully met its objectives, leaving a lasting impact on the participating students. Many expressed a newfound appreciation for the intricacies of entrepreneurship and its far-reaching effects on the Indian economy. The session served as a catalyst for a shift in mindset, encouraging students to consider entrepreneurship as a viable career option.

Furthermore, the event facilitated meaningful networking opportunities between students and Mr. Anil M. Prabhu. Students had the chance to seek personalized advice and guidance, creating a platform for potential mentorship and future collaboration.

Feedback: Feedback from the 162 participating students revealed a high level of satisfaction with the seminar. Students lauded Mr. Anil M. Prabhu's practical insights, the relevance of the topics covered, and the interactive nature of the session. Many expressed a desire for more in-depth workshops and seminars on entrepreneurship to further enhance their understanding.

Several students highlighted the real-world applicability of the knowledge gained and expressed gratitude for the opportunity to interact with a seasoned entrepreneur. The positive feedback
