Final and Pre-Final Year Engineering and MBA Students

Preamble

The session on "Careers in MRPL and Writing GATE Exams" conducted by Veena Shetty, Deputy General Manager at Mangalore Refinery and Petrochemicals Limited (MRPL), was designed to provide valuable insights and guidance to final and pre-final year engineering students and MBA students. The session aimed to equip participants with comprehensive knowledge about career opportunities within MRPL and offer guidance on preparing for the Graduate Aptitude Test in Engineering (GATE) exams.

BRIEF PROFILE OF TRAINER

Mrs. Veena Shetty

Veena Shetty, Dty. General Manager- MRPL

32 Years of Experience at MRPL

REPORT

On **30/05/2023**, a session on "Careers in MRPL and Writing GATE Exams" was conducted for final and pre-final year engineering students and MBA students. The session aimed to provide insights into career opportunities at Mangalore Refinery and Petrochemicals Limited and offer guidance on preparing for the Graduate Aptitude Test in Engineering (GATE) exams. The session was led by Veena Shetty, Deputy General Manager at MRPL.

Objectives of the session:

The session aimed to empower students with the knowledge and guidance necessary to make informed career decisions, prepare effectively for the GATE exam, and enhance their prospects of securing employment at MRPL or similar PSUs.

- Provide Information about MRPL
- Career Guidance
- GATE Exam Awareness
- GATE Exam Preparation Guidance
- Application Process and Selection Criteria
- Interactive Engagement

Content Covered:

- **Introduction to MRPL:** The session commenced with an overview of MRPL, its history, and its role in the petroleum and petrochemicals industry. Ms. Veena Shetty highlighted the company's operations, projects, and the various career opportunities available.
- **Career Paths and Opportunities:** The presenter delved into the diverse career paths offered by MRPL. She discussed the roles and responsibilities of different departments, such as engineering, operations, maintenance, finance, and human resources. Ms. Shetty emphasized the potential for growth and professional development within the organization.
- **GATE Exam:** The session then shifted focus to the importance of the GATE exam for engineering and MBA students interested in pursuing careers in public sector undertakings (PSUs) like MRPL. Ms. Shetty explained the eligibility criteria, exam pattern, and syllabus of the GATE exam. She shared valuable tips on preparing for the exam and recommended study resources and coaching institutes.
- **Application Process and Selection Criteria:** The presenter guided the participants through the application process for job opportunities at MRPL, including the importance of submitting a well-crafted resume and cover letter. She also provided insights into the selection criteria and the interview process followed by the company.
- **Q&A and Interactive Session:** The session concluded with an interactive Q&A session, where participants had the opportunity to seek clarifications, share their concerns, and gain further insights into specific areas of interest. Ms. Shetty patiently addressed each question, providing valuable guidance and advice.

Key Takeaways:

- **Understanding MRPL:** Participants gained a comprehensive understanding of Mangalore Refinery and Petrochemicals Limited (MRPL), including its background, operations, and significance in the petroleum and petrochemical industry. This knowledge provided insights into the company's culture, values, and career opportunities.
- **Career Paths and Opportunities:** The session highlighted the diverse career paths available at MRPL across various departments such as engineering, operations, maintenance, finance,

and human resources. Participants gained insights into the roles and responsibilities associated with each department, enabling them to make informed decisions regarding their career choices.

- **Importance of GATE Exam:** The session emphasized the significance of the Graduate Aptitude Test in Engineering (GATE) exam for engineering and MBA students aspiring to work in public sector undertakings (PSUs) like MRPL. Participants understood that achieving a competitive GATE score enhances their chances of securing employment at esteemed organizations.
- **GATE Exam Preparation Strategies:** Participants received valuable guidance on preparing for the GATE exam. The session provided insights into the exam pattern, eligibility criteria, and syllabus. Tips on effective preparation techniques, recommended study resources, and coaching institutes were shared, empowering students to perform well in the exam.
- **Application Process and Selection Criteria:** The session shed light on the application process and selection criteria followed by MRPL. Participants gained valuable insights into crafting a well-structured resume and cover letter, understanding the requirements for a competitive application. The session also provided an overview of the interview process, equipping students with the necessary knowledge to navigate the selection process effectively.
- **Bridging Academia and Industry:** The session bridged the gap between academic knowledge and industry requirements. Participants gained a better understanding of how their educational background and skills align with the requirements of the petroleum and petrochemical industry, specifically at MRPL.
- **Inspiration and Career Exploration:** The session served as an inspiration for participants to explore career opportunities in the petroleum and petrochemical industry. It encouraged students to consider MRPL as a potential employer and to leverage the GATE exam to enhance their employability prospects.
