“ THE ISE PRISM “

Vol 1 | Issue 1 | 25th july 2026

CHAIRMAN'S MESSAGE

Mr. Siddhartha J. Shetty
Chairman
MIT Kundapura & IMJ
Institutions

It is heartening to see the Department of Information Science and Engineering launch ISE Prism, a reflection of the department's commitment to innovation, academic excellence, and continuous learning.

A newsletter is more than a collection of events—it is a platform to share ideas, celebrate achievements, and inspire future aspirations. I am confident that ISE Prism will encourage our students and faculty to showcase their talents, research, and accomplishments while fostering a culture of creativity and collaboration.

I congratulate the Department of Information Science and Engineering and the editorial team on this commendable initiative. I extend my best wishes for the continued success of ISE Prism and for the department's journey towards greater excellence.

VISION

TO GENERATE COMPETENT PROFESSIONALS TO BECOME PART OF THE INDUSTRY AND RESEARCH ORGANIZATIONS AT THE NATIONAL AND INTERNATIONAL LEVELS.

MISSION

- PROVIDING A STRONG THEORETICAL AND PRACTICAL BACKGROUND ACROSS THE COMPUTER SCIENCE DISCIPLINE WITH AN EMPHASIS ON INFORMATION PROCESSING.
- IMPARTING THE SKILLS NECESSARY TO CONTINUE EDUCATION TO GROW PROFESSIONAL.
- EMPOWERING THE YOUTH IN RURAL COMMUNITIES WITH COMPUTER EDUCATION.
- INCULCATING PROFESSIONAL BEHAVIOUR, STRONG ETHICAL VALUES, INNOVATIVE RESEARCH CAPABILITIES AND LEADERSHIP ABILITIES.

DIRECTOR'S MESSAGE

Dr Shankaranarayana Bhat M
Director- Academics,
IMJ Institutions, Moodlakatte, Kundapura

I am delighted to note that the Department of Information Science & Engineering is launching its newsletter. I congratulate the entire team for this commendable initiative.

In today's data-driven and rapidly evolving technological landscape, documenting and sharing information is extremely important. This newsletter will serve as a chronicle of the Department's activities, accomplishments, research contributions, innovations, and industry engagement, besides helping in building a valuable repository for the institution. I am sure that it will also help enhance the visibility of the Department and strengthen stakeholder engagement. Further, I believe that showcasing the accomplishments and success stories will inspire others to strive for excellence.

The newsletter, through such systematic documentation will prove invaluable during accreditation, regulatory processes, and the preparation of annual reports, reflecting the Department's commitment to quality and continuous improvement.

I hope the newsletter presents its content with clarity, objectivity, and integrity, and continues to grow in scope and impact in the years ahead.

I extend my best wishes for its continued success

Dr Ramkrishna Hegde

Principal

MIT KUNDAPURA,

It gives me immense pleasure to extend my greetings to the HOD, faculty members, students, of the Department of Information Science & Engineering through this first edition of the Departmental newsletter “The ISE Prism”

The field of Information Science & Engineering continues to play a pivotal role in shaping the future of technology and innovation. In an era driven by digital transformation, artificial intelligence, data analytics, cloud computing, and cybersecurity, the contributions of Information Science professionals are more significant than ever before.

I am proud of the department's consistent efforts in maintaining academic excellence, promoting research and innovation, and nurturing industry-ready professionals.

Departmental newsletter serves as a platform to showcase creativity, technical accomplishments, and intellectual growth of the students and staff as well. I congratulate the editorial team for their sincere efforts in bringing out this publication, which reflects the vibrant academic and extracurricular activities of the department.

I encourage all students to continue striving for excellence, embrace lifelong learning, and uphold the values of integrity, professionalism, and social responsibility. May The ISE Prism inspire many more achievements and serve as a record of the department's journey towards greater success.

I extend my best wishes to the Department of Information Science & Engineering of MIT Kundapura for its continued growth and accomplishments.

HOD'S MESSAGE

Mrs. Lakshmi G
Head of Department
ISE

Dear Students, Faculty, and Well-wishers,

It gives me immense pleasure to launch the very first edition of our Department Newsletter. This initiative marks a new chapter in how we document, celebrate, and share the collective journey of our department.

Over the past semester, our students and faculty have shown remarkable commitment — from technical paper presentations and project expos, to industrial visits, workshops, and placements. Each achievement reflects the spirit of innovation and teamwork that defines us.

This newsletter is more than a record of activities; it is a platform to inspire. It will showcase talent, share knowledge, and strengthen the bond within our department family. I commend the editorial team for their effort in bringing this first edition to life.

I invite every member of the department to contribute, participate, and make this newsletter a true voice of our community. Together, let us set benchmarks in academic excellence and holistic development.

Wishing everyone continued success.
